

Two Gander Farm- Market Assistant Position for Bryn Mawr Farmers Market

Two Gander Farm is a CSA and market farm that has been growing for the greater Philadelphia area for 13 years. We grow high quality, USDA Certified Organic produce for a 275 member Summer CSA, farmers markets and specialty retail grocery chains. We farm 20+ acres within a 262-acre preserve owned by the Brandywine Conservancy in Downingtown, PA. The farm business is a for-profit, family owned operation run by a husband/wife team. Visit www.twoganderfarm.com to learn more about the farm.

Job description: We are seeking reliable market assistants for our busy farm stand at Bryn Mawr Farmers Market, which runs weekly from April-December. This is a thriving, busy market with a very dedicated and loyal customer base. We have been selling at this market for 13 years.

Responsibilities:

- Assistance with set-up/break-down of farmstand.
- Work with other staff members to arrange produce displays.
- Labeling displays with signage.
- Processing sales transactions with Square POS system.
- Customer service.

Desired skills: Applicants must have great customer service skills, sales/retail experience, and be able to process transactions efficiently in a fast paced environment. Prior experience using Square POS system is a huge plus, but will train. Knowledge of seasonal produce, or passion for healthy food and how to prepare it is helpful. Must be able to lift up to 25lbs, and stand for 6 hours. Market is outdoors, and operates rain or shine, so coming prepared for the weather is essential. You must be reliable, and on time each week.

Term: April-December, weekly.

Location: Bryn Mawr Farmers Market- Lancaster & Bryn Mawr Avenues across from Ludington Library in the Amtrak Station parking lot. Market assistants meet farmers at the market.

Hours: Saturdays, from 8:00am-2pm.

Compensation: \$16.55/hr, plus 25% off produce purchases.

Contact: send resume and letter of interest to Deirdre and Trey Flemming at twoganderfarm@gmail.com. Learn more about the farm at www.twoganderfarm.com
